The Honorable Michael K. Powell  
Chairman, FCC  
445 12th Street SW  
Washington, DC 20554

Dear Chairman Powell,

I am extremely upset and concerned about the recent FCC ruling to allow even greater concentration of broadcast ownership into fewer hands than was the case previously. This ruling is a grave mistake. It does not serve the public interest and in fact harms it.

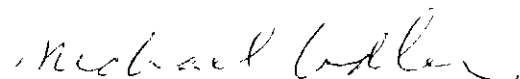

Moreover, the FCC acted without proper hearings and input from the public. Procedurally, the Commission was totally off base on a matter of this importance. As Chairman, you should be ashamed of yourself for both the decision and the process used in making it.

I believe that the FCC's actions in this matter are frightening and dangerous. If allowed to stand, the ruling will seriously undermine our democracy.

I vigorously protest the FCC's actions here, and I urge you to reconsider the decision. Please take the necessary steps to protect the public interest and assure that ownership of the news and entertainment media continue to be owned by many and diverse individuals and corporations.

Thank you for your consideration.

Sincerely,

(Ms.) Michael Adler
